

Dear students!

Are you looking for a change?

Do you like stories?

Do you like comics, mangas etc.?

Do you like being creative yourself?

Then we have an idea for you ...

👁️ Have a look at the photos on the second page of this letter. These are photos of certain objects provided by your English teachers.

Now it's your turn ...

Make up a story, a fairy tale or a comic including **ALL** of these objects. Of course they can be mixed up and don't have to be in the given order.

✉️ Please send your stories, comics etc. to both of these addresses – (deadline is Thursday, April 30th):

N.Meyer-Wolf@bbswinsen.de

K.Weise-Lehmann@bbswinsen.de

🏆 The best three ideas are going to receive a prize¹ and of course a certificate!

IMPORTANT:

Please don't be afraid that your English isn't good enough! We are NOT looking for the perfect, flawless English essay BUT we are looking for funny, creative and interesting stories 😊 !!!

We are looking forward to your ideas and all entries will be appreciated!

Have fun!
